

LINEAR

LINEAR

INSPIRED BY

SIMPLICITY

However you see it, Linear can make it happen. Whatever interior you're working with and whatever mood you're trying to capture, our clean, minimal lines give you the flexibility to think creatively. Whether you're complementing historic detail or making a sleek, modernist statement, Linear helps you unshackle your imagination and do something special with every space.

FORM

LINEAR

LINEAR'S MINIMAL AESTHETIC IS DRIVEN BY SIMPLICITY OF FORM. WE'VE STRIPPED OUT EMBELLISHMENT TO CREATE RADICALLY SIMPLIFIED DESIGNS.

They're rational. They're functional. They're very beautiful. And their flexibility helps you bring pin-sharp contemporary design to any environment. Inspired by uncluttered modernism, we've created a range of styles that complement anything from a new-build apartment to a refurbished mill. Lines are clean and satisfying. Tones are subtle and muted. Doors and drawers are handleless. These are kitchens that look at home in any space. We've built enormous flexibility into all our ranges. If you want tall, wide, fitted or island units, you'll find our kitchens can flex to fit your imagination.

COLOURS DON'T HAVE TO
SHOUT TO GET NOTICED.

Subtle tones make a statement of their own, exuding
an understated confidence that emphasises form
and adds a quiet sophistication to a room.

COLOUR

WHEN TEXTURES WORK HAND-IN-HAND WITH COLOURS, YOU GET A THOUSAND NUANCES OF TONE AND MOOD.

THEY THROW A SPECTRUM OF SUBTLITIES INTO THE MIX, WHICH YOU CAN USE TO ACCENTUATE LINES, MAXIMISE LIGHT OR CREATE INTRIGUING CONTRASTS.

Linear offers a varied range of finishes to help you make the most of these subtleties. You can master the art of understatement with a variety of matt designs featuring touchable textures across a variety of wood grains and colours. Or you can select from a palette of gloss designs in a spectrum of subtle shades. Whatever you choose, it will retain a soft, restrained tone that focuses attention on the sleek, simplified forms of our kitchens' minimal, modern designs.

TEXTURE

A photograph of a modern dining room. In the foreground, a white rectangular table is set with a stack of plates, two wine glasses, and a vase with dried grasses. Four orange upholstered chairs with wooden legs are arranged around the table. The room features a large window with a black frame, offering a view of a lush green forest. The floor is a light, neutral color. The word 'LIFE' is overlaid on the left side of the image in a large, bold, sans-serif font, with the 'L' in a dark brown color and the 'IFE' in white.

To ensure the continuous development and improvement of our products, we reserve the right to make changes to the colour, design and descriptions or methods of manufacture of our furniture. Such changes may be made without prior notice and without incurring liability. In many of our products we use wood, a natural living material which will reflect a variety of grains and textures, so variances must be allowed for. Styles that feature timber, PVC, laminates and melamine finishes may incur a slight colour change over the years. The term 'solid timber' applies to door and drawer fronts only. Colour reproduction in this brochure is as accurate as printing techniques will allow. Not every showroom contains all the products featured in this brochure.
